THE
LANGHAM

FLIKS film series *presents*

Wild Nights with Emily

An imaginative comedy anchored by a surprisingly touching love story between Emily Dickenson and her childhood friend. Instead of the reclusive spinster, Dickenson emerges as a lively woman forced to hide a lifelong love affair, whose work was rejected by a literary establishment that would embrace it only after her death.

"Could forever change the narrative of the world's most famous woman poet." - indieWire

Thursday January 24th 2019 7pm.
